## **Brockham Green Cricket Club Nets Project**

On behalf of the BGCC I would like to say a huge 'Thank You' to all those individuals that helped us to raise a staggering £22,000 towards our nets project last year. I also include a special 'Thank You' to the Poland Trust, J & J Franks Ltd, the Deepdene Rotary Club, Sports Lottery foundation and, not to forget, the Royal Oak on the Brockham village green for allowing us to host a most memorable quiz night and raise a lot of money in the process.

It is very heartening to know that, despite these hard times, people will still contribute what they can, be it time or money, to develop and support what they believe is a worthy community cause.

The nets were built over the summer and are, I am pleased to say, now open and being fully used by aspiring cricketers of all ages within the village and surrounds.

Hopefully next year, with the new facilities, we will be able to fully hone the raw new talent emerging from the local schools as well as chip the odd rough edges off those more senior enthusiasts that would like to come along and get involved with the club.

Thank you  
Michael Ives
